

MEDIA DÉCOR SERIES

ALLURE MOVING ART

The Allure is a striking contemporary solution for concealing ultra-thin TVs with moving art. Functioning like a traditional shade, artwork scrolls up and down, revealing and concealing the screen behind it. With silent operation, a minimalist frame, and an endless choice of finishes, Leon's Allure is the ideal surface mount solution for creating an elegant finishing touch in any environment.

SYSTEM INCLUDES

- Choice of artwork from our curated Art Gallery
- Choice of frame finish: satin paint finish or domestic hardwood
- Lutron QS Drive system
- Lutron IR remote control & receiver
